Itasca Park District Giving Tree

Originally created in 1964, the Itasca Park District first acquired land in 1965 that would later be Washington Park and house the Itasca Recreation Center. Programming began in 1966. In 1971 the Itasca Pool was built and in 1972, the Itasca Recreation Center was completed. In 1979 the district received a grant to develop the Spring Brook Nature Center and did so in conjunction with the Village of Itasca and School District 10. 1991 brought a 30,000 square-foot addition to the Itasca Recreation Center. The Itasca Softball Complex was added in 1993. In 2002 there was a 10,000 square-foot addition to the Itasca Recreation Center to meet the growing needs of the community with an expanded Fitness Center and more. A \$3.65 million referendum was passed in 2006 to renovate the deteriorating Waterpark and complete other capital projects. A renovation of Franzen "Play for All" Community Park was completed in 2007 with the help of a \$329,700 matching OSLAD Grant and community fundraising. Over the years, the district has acquired 8 parks and received numerous grants and awards including two national awards from the NRPA for Excellence in Aquatics in 2001 and 2008 as well as the prestigious National Gold Medal for top park district in the nation with a population under 20,000 for 2003 and again in 2009.

Please help support this wonderful organization.

PRESORTED STANDARD U.S. POSTAGE PAID ITASCA, ILLINOIS PERMIT NO. 94

Come join us by participating in our Giving Tree Campaign and making a gift to the Itasca Park District.

In our lobby at the Itasca Recreation & Fitness Center, we will be mounting to the wall an elegant Donor Recognition Tree. This Tree will have a cast-bronze antique-finished trunk and have beautiful leaves made of brass, nickel, and bronze. Each leaf will designate those who have so generously gifted to Our Giving Tree Campaign.

The Giving Tree Campaign helps fund our scholarship program and other capital expenditures. The lasting Tree Display will be a true testament to the community's support and generosity.

You, your family, or your business will have your name and/or special message on a leaf, stone or acorn by making a gift to our Giving Tree Campaign. Each donor is entitled to an individual leaf with their name and/or message permanently imprinted and prominently displayed. Your generosity will be available for all to see.

Come and join us in this important campaign!

"Yes, I would like to make a contribution to the Itasca Park District Giving Tree Campaign!"

Our stunning Giving Tree will display 200 leaves. Sixty characters (including punctuation and spaces) using up to 4 lines can be imprinted on your item. Please indicate your text below.
